Hi Jillian;

Matt Standeven from our AG's office notified us of the Court's decision. We were thinking of contacting you to have a call set up sometime soon.

We'll send you a few dates and times that work for us next week.

thanks

Hi Greg,

I am sad to say that the Courts ruled against EPA in the Anacostia Trash TMDL litigation. The court has remanded the TMDL to EPA and stayed vacatur of the approval until we approve or establish a replacement TMDL. EPA would like to schedule a call with MDE and DOEE for early next week. Which date/times work for you? Also, we're wondering if you'd like the attorneys to attend the meeting.

Thank you,

Jillian Adair
